Dear Honored Guests,

On behalf of the fine men and women of the Airlift Tanker Association-Tony Jannus Chapter, thank you for attending the 2019 Tampa Air Force Ball, celebrating the 72nd Birthday of the United States Air Force.

The Air Force Ball is a time honored tradition, bringing together the Airmen, community, and heritage of MacDill Air Force Base to celebrate and recognize America's heroes and incredible community partnerships.

Because of the immense generosity of our amazing sponsors and community partners, limited beer and wine will be provided free of charge for guests 21 years of age and older. This is a reminder for all guests to please drink responsibly at the event and do not overindulge. To ensure the safety of all guests, please have a plan in place for a safe return to your final destination before you take a single sip of alcohol. However, if your plan unravels, please understand there are safe driving services available to you and your guest(s).

Joint Services Against Drunk Driving (JSADD) have joined efforts to ensure every individual choosing to drink at the Ball will arrive home safely. If you require assistance, their contact information will be printed and placed on every guest's place-setting at the Ball and attached to your parking voucher as a last reminder.

Thank you for your valued support and clear understanding of our beverage consumption policy. Have an entertaining and enjoyable evening at the Air Force Ball, but please remember to always have a plan in place before the fun begins. Thank you.

Sincerely,

ALEX H. GUBLER, Major, USAF
Chairman, Tampa Air Force Ball Committee
